Thank God for the apparent kidnapping of the 12-year-old **Swede -- Kristian Walker!**

The 9 million blood-sucking vampire citizens of the
Homo-Fascist Regime calling itself Sweden are
singing the blues over the post-tsunami abduction
of 12-year-old Kristian Walker. But why? Swedish
kids being taught it's OK to be gay is a worse fate
than being kidnapped for sex. Being taught it's
OK to put Bible preachers in jail for preaching
against sodomy is an infinitely worse fate for kids.

Kristian Walker

Little Kristian, left, would be better off dead than living in Sweden -- where 9 million walking-dead sodomite zombies anally copulate their brains out and jail Gospel preachers. Sweden has only one issue -- Pastor Ake Green. No decent person gives a rat's tutu whatever else Sweden does or says! You got that? you dimwitted schmucks! Listen up:

**Sweden is under the condign wrath of God.
Kristian Walker & all Swedish kids would
be better off dead than living in Sweden.**

Sweden's days of grace are past. There is no place for repentance: *"For they have sown the wind, and they shall reap the whirlwind."* Hos. 8:7. Prepare to meet thy God.

SWEDEN -- "LAND OF THE SODOMITE DAMNED"

Stockholm (ENI). A Swedish court has sentenced a pastor belonging to the Pentecostal movement in Sweden, Ake Green, to a month in prison, under a law against incitement, after he was found guilty of having offended homosexuals in a sermon. Soren Andersson, the president of the Swedish federation for lesbian, gay, bisexual and transgender rights (RFSL), said on hearing the sentence that religious freedom could never be used as a reason to offend people. "Therefore," he told journalists, "I cannot regard the sentence as an act of interference with freedom of religion." During a sermon in 2003, Green described homosexuality as "abnormal, a horrible cancerous tumour in the body of society". [357 words, ENI-04-0403]
